

The shopping experience on **RechargeOne.com** is simple, secure and straight forward

by following these four easy steps::

1. Add your selected card(s) to the shopping cart and checkout.

2. Login or register
3. Select your payment method
4. Once the payment is successful, **we will automatically send you a confirmation email that includes pin numbers for the card(s) you bought.**

Buying on **RechargeOne.com** is completely secure, we do not see your credit card information,

instead, we redirect you to a trusted third party payment gateway which deduct money from your credit card for our favor.

\* Automatic instant pin delivery is for white listed customers based on purchase history and/or other factors.

The Maximum SLA for sending the order email (including the pin) for non white listed customers is 6 hours, however we usually send it within less than 30 minutes.

\*\* For orders placed through Paypal, pin numbers are sent to the Paypal email account used for payment
